

Where can you find us?

Building 15, 3rd floor

It is important to know that we **only** work with **prior appointments** by email or answerphone message. In case of an **emergency** please call **112** or visit the emergency unit of your next hospital!

When you arrive please take a seat at the entry our unit! Our staff will be there for you soon.

Please pay attention: you can reach the 2nd floor by elevator if you wish, but the 3rd floor can only be entered by food. So if this should cause any problems please tell our staff while arranging the appointment.
